RE: Curbside Recycling for the City of Red Bud

Effective December 1, 2009, Reliable Sanitation Service (RSS) will begin curbside recycling for RSS Red Bud customers. Recycling bins will be distributed to each RSS customer during the month of November. Your weekly recycling pick-up day will be the same day as your weekly trash pick-up day, just place your recycling bin next to your trash cans.

The City of Red Bud is purchasing the recycling bins, at no cost to the residents, and will retain ownership of the bin. Please take care of the recycling bin and leave it at the residence if you ever move. The monthly cost for the curbside recycling is \$1.15 per month and will be added to your trash bill effective January 1, 2010. (Note: See the attached memo for instructions on what recyclables are accepted)
