I. Approval of Prior Month's Meeting Minutes – Meeting June 18, 2018

Recommendation made by Committee Chairman Esker, seconded by Committee Member Harbaugh to approve the minutes from the June 18, 2018 meeting. Carried

II. East Industrial Park Archeological Report

Code Admin. Jeff Mueller said the Phase I Archeological report showed about 30 pieces of pottery and bricks, etc. Therefore an additional study would be required costing \$20,000-\$25,000 and involves about one quarter of an acre south of the Juelf's residence, close to the east boundary. A Phase II study could lead to a Phase III study. An option would be to accept the Phase I study; simply not use that quarter acreage, plant grass on it; or to start development from the far end of the property.

III. Public Comments/Anything for the Good of the City

None

Meeting was adjourned at 7:57 P.M.

Respectfully Submitted,

Joanne G. Cowell, City Clerk
