OVERHEAD SERVICE

100 AMP OR 200 AMP – 1/0 – 3 WIRE – RESIDENTIAL

1. A permit must be obtained for any service, new or upgraded. Applications may be obtained at City Hall, 200 E. Market St., Red Bud, IL 62278.
2. Socket is furnished by the City and may be obtained at the Utility Office, 525 Power St., Red Bud, IL 62278. To be installed by customer.
3. Conduit size to be 2" galvanized for 200 amp service, and 1 1/4" for 100 amp services. 1 1/4" conduit may not be used above the roof. Aluminum conduit can be used above ground only, but not above roof as part of mast. Neither can a coupling be installed in conduit above as a part of the mast.
4. Conduit extending through roof must have take-off insulator for attaching service wire.
5. Grounding bushings are required in meter socket and distribution panel.
6. Neutral wire may be one size smaller and must be continuous from entrance to panel.
7. Ground rod to be driven in undisturbed soil at least 6" below grade, and left open for inspection. Elbow to be run past overdig into undisturbed soil.
8. Ground wire to be protected with conduit or suitable guard.
9. Inquire at Utility Office as to location of meters and other information concerning installations not mentioned here.

WIRE SIZES

With no more than 3 conductors in raceway or conduit.

100 AMP Service

Aluminum – 2 ground wire size
Copper – 3 #6 bare copper
Ground Rod Size

APPLICATION FOR NATURAL GAS SERVICE
(SECTION 38-6-1 OF CITY CODE)**

Approximate Date of Installation _____
No. _____
Date _____

NAME _____
ADDRESS _____
SUBDIVISION _____ LOT # _____
Phone # _____

Hereby applies for a connection with the Natural Gas System of the City of Red Bud, IL and remits a connection fee of \$_____ the receipt of which is hereby acknowledged.

Within the City Limits

R-275 meter \$1,100.00 ()
R-415 meter \$1,400.00 ()
R-630 meter \$1,650.00 ()
R-800 meter \$2,200.00 ()

Outside the City Limits

R-275 meter \$1,100.00 ()
R-415 meter \$1,400.00 ()
R-630 meter \$1,650.00 ()
R-800 meter \$2,200.00 ()

*An additional \$750.00 shall be added to the above fees if and when a tap is required to be made on a steel main.

The service connection fee for gas consumers that use over 800,000 BTU per hour, shall be determined by the Superintendent. The installation cost shall be paid by the customer and billed on the City's time and material cost.

() Request to make change or alteration, remodeling or reconstruction affecting gas piping in any building, house or grounds. The installation cost shall be paid by the customer and billed on the City's time and material cost.

If excess flow value is requested by customer that does not have one on their current service line, then the installation cost shall be paid by the customer and billed on the City's time and material cost.

It is understood that there will be no additional charge for the installation of the service line pipe (up to 75 feet, \$2.50 per foot over 75 feet – Sect. 38-2-41), meter, regulator, piping and fittings. HOWEVER, if boring of the pipe or non-standard installation methods/materials are requested or required, then the customer shall pay all such additional costs of the City and other contractors required for such installation of the service line in addition to the tap fee. ALSO, applicant will furnish the interior pipe, installed to meet the latest standards of the National Fuel Gas Code, National Fire Protection Association 54, Code of Federal Regulations 49 Part 192 (a copy of this being on file in the City Utility Office). Contact the City Utility Department for additional installation requirements.

As an inducement for the City of Red Bud to accept this application, the applicant:

1. **Agrees to pay** for all gas used on said premises at the rates provided by the ordinances of the City.
2. **Agrees to abide** by all applicable ordinances, rules and regulations of the City, all of which are available at City Hall.
3. **Hereby grants an easement** over said premises in favor of the City of Red Bud, IL for the purpose of laying, maintaining, metering, repairing and replacing the natural gas line servicing the premises or the adjoining premises per drawing thereof on the reverse side of this application.
4. **Agrees to notify** the City on the installation of any gas equipment, and not to use such equipment until such notification has been acknowledged by the City.

APPLICANT UNDERSTANDS AND AGREES THAT UPON INSTALLATION OF THE SERVICE BY THE CITY, THIS APPLICATION AND ALL OF ITS TERMS AND CONDITIONS CONSTITUTE A CONTRACT BY AND BETWEEN THE APPLICANT AND THE CITY OF RED BUD.

CITY OF RED BUD, ILLINOIS

APPLICATION FOR DUSK-TO-DAWN LIGHTING SERVICE

Approximate Date of Installation _____

Date _____

The undersigned Municipal Utility Customer residing at or doing business at _____, desires to have Dusk-to-Dawn Lighting Services(s) installed at _____ in Red Bud, Illinois.

Phone # _____

Rented Dusk-to-Dawn Lights: The applicable rates shall be as follows:

Requested

- 150/175-watt High Pressure Sodium Light @ \$11.65 per month each
- 400-watt Metal Halide Light @ \$22.86 per month each
- 1000-watt Metal Halide Light @ \$45.31 per month each

The above rates will be applied to each monthly Utility Bill for a minimum **two (2) year** period. In the event that the customer desires a removal of the unit or discontinuance of the service, the charges for the remainder of the contract period shall become due and payable. The City of Red Bud Electrical Department will be responsible for making the installation, furnishing the electricity for the operation of the lamp, and provide all necessary maintenance, including the replacement of lamps, but excluding malicious damage, which shall be paid by customer. The rates specified herein are subject to change in accordance with the current rates adopted by the City of Red Bud. If additional facilities are required to install the light services, then the customer will be billed each month **1.5%** of the additional cost to the City for furnishing and installing the additional facilities.

The Customer shall notify the Red Bud Electrical Department of any interruption to service of the Dusk-to-Dawn lighting. The Electrical Department will restore service only during regularly scheduled working hours and shall, in any event, be under no obligation to do so until **seventy-two (72) hours** from the time of notification. In the event the Electrical Department is unable to effect repairs for an interruption in service not caused by the Customer, within this period, the Electrical Department's only liability will be to abate the charges on a pro-rata basis for each day after such **seventy-two (72) hour** period in which service is not available. The customer shall remove any obstruction to the installation of the City owned facilities. Trimming of trees to improve the distribution of light shall be the customer's responsibility. The customer shall provide any permits or easements required for the installation and maintenance of City owned facilities and permit access to the facilities by the City's vehicles and personnel.

Customer agrees that all applicable sections of the City's Electric and Utility codes, rules, and regulations are a part of this agreement as if written verbatim herein.

APPLICANT UNDERSTANDS AND AGREES THAT UPON INSTALLATION OF THE SERVICE BY THE CITY, THIS APPLICATION AND ALL OF ITS TERMS AND CONDITIONS CONSTITUTE A CONTRACT BY AND BETWEEN THE APPLICANT AND THE CITY OF RED BUD.
