

CITY OF RED BUD, ILLINOIS
SCHEDULE 40-3-17(B): USE TABLE

The use table provides a tabular summary of the land uses allowed within each zoning district. The table is intended for reference and does not necessarily reflect all of the regulations that apply to particular uses or districts.

- A. **Permitted (By Right):** Uses identified in a zoning district column of the Use Table with a "•" are "permitted by right" and shall be permitted in such zoning district, subject to such supplemental use regulations as may be indicated in the "Supplemental Regulations" column and all other requirements of this Zoning Code.

- B. **Special Uses:** Uses identified in a zoning district column of the Use Table with an "S" are "Special Uses" and shall be permitted in such zoning district if reviewed and approved in accordance with the standards of Article VIII, Section 40-8-1 through 40-8-2. Special uses shall be subject to such supplemental use regulations as may be indicated in the "Supplemental Regulations" column and all other requirements of this Zoning Code.

- C. **Use Standards:** The last column of the Use Table is entitled "Supplemental Regulations". The numbers in this column refer to various Sections of the City's Zoning Code, Chapter 40. Each of the numerical Subsections contain special use standards applicable to a particular use in one or more of the districts in which such use is allowed.

- D. **Unlisted Uses:** Any use not shown as a use permitted by right or a special use in a zoning district is specifically prohibited in that district. Uses not listed have been determined either not to be appropriate in any district, incompatible with certain existing uses, or sufficiently rare or unexpected as to be incapable of being listed at the time of adoption of this Code. Any use not shown as a use permitted by right or a special use in any zoning district, but constituting a use that is required to be permitted by law, shall be subject to the conditions of the most appropriate underlying district and the following requirements.
