Recommendation made by Committee Chairman Esker, seconded by Committee Member Donjon, to approve the minutes from the January 16, 2017 meeting. Carried

II. Public Comments/Anything for the Good of the City (Discussion Only)

Jeff Mueller said that John Rendleman had a warrant out for his arrest for an ordinance violation at his trailer on Veteran Street and was arrested by Officer Josh Wirth. Rendleman had on him drugs, without a prescription, a loaded gun, brass knuckles and an expired driver's license.

Mueller updated the committee on his rotator cuff surgery. He expects to be released from the doctor tomorrow, with the only limitation on returning to work, being he cannot lift anything over 40 lbs. and cannot raise his arm above his head.
