ORDINANCE NO. 1015

**AN ORDINANCE AUTHORIZING THE REBATE
OF A PORTION OF RETAILERS' OCCUPATION
TAXES AS AN INCENTIVE FOR COMMERCIAL
DEVELOPMENT AND REDEVELOPMENT.**

A. The corporate authorities of the City of Red Bud believe that it is in the best interest of the City and its citizens that it adopt a program whereby retailers are given an economic incentive for purposes of developing or redeveloping property within the City.

B. The corporate authorities of the City of Red Bud believe that a Retailers' Economic Incentive Program will help cause the commercial properties to be attractive and well maintained and will increase the Retailers' Occupation Taxes for the City of Red Bud.

C. The City of Red Bud relies heavily on the sales taxes produced by the retailers and commercial business owners within the City of Red Bud. The corporate authorities believe it is in the City's best interest, and that of its citizens, to create a program which hopefully will not only maintain the level of retailers' occupation taxes but will also increase such taxes over a period of time and which will assist in maintaining the business properties within the City of Red Bud.

D. The corporate authorities of the City of Red Bud also believe that assisting the retailers within the City will help maintain and increase employment within the City.

E. The State of Illinois authorizes a Retailers' Occupation Tax Rebate pursuant to 65 ILCS 5/8-11-20.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF RED BUD, RANDOLPH COUNTY, ILLINOIS AS FOLLOWS:
