

Your feedback is important!

Please complete the short survey below based on the information in the enclosed brochure. You can also complete the survey on the web at www.pipelinesafetyinfo.com and enter the **WebCode** below. Your response will allow us to measure the overall understanding of pipeline safety in America, and assist in the continuous improvement of our communications. Thank you for your help. Para completar esta inspección en español, va a www.pipelinesafetyinfo.com y entra el **WebCode** abajo:

- | | | | | | | |
|---|--|---|--|---|-----------------------------|---------------------------|
