Old Business

I. Swimming Pool - 2022 Season Update

Eckart reported that there were minor snags with the pump, but it is ok for now. There is still sand, but nothing major. The snack stand not being open is a manpower issue. The YMCA offered two hours of free swim on the really hot day last week.

New Business

I. Approval of Prior Month's Meeting Minutes – May 16, 2022

Recommendation made by Committee Chairman Donjon, seconded by Committee Member Piel to approve the minutes from the May 16, 2022, meeting. Carried

II. Parks & Recreation Committee Meeting Minutes – Meeting June 1, 2022

Council Member Schwartzkopf questioned the plans for the sports complex batting cages. Eckart said that they have been cleaning the building up and are discussing improvements needed. Schwartzkopf asked if needed repairs should be budgeted.

III. Public Comments/Anything for the Good of the City

Council Member Donjon asked the community to not access other people's garden boxes. These are not community, but individual gardens. Please do not steal the produce. If anyone wishes to have a garden box, contact city hall and you will be given one next year. There are cameras at the gardens and the police do have pictures of violators.

Eckart stated that the concrete for the pickleball posts has been poured.

Meeting was adjourned at 7:11 P.M.

Respectfully Submitted,

Joanne G. Cowell, City Clerk
