**II. Parks and Recreation Committee Meeting Minutes – No August Meeting**

**III. YMCA Pool Report**

The YMCA pool financial report through July was included in the packets for review.

**IV. Community Garden Signage**

Poetker is working on a sign of rules and a thank you sign of contributors.

**V. Splash Pad – “Shovel Ready” Status**

OSLAD has cancelled grants for this fiscal year. Donjon feels like the city should be shovel ready, to apply for any available grants. Any money spent before grant approval, would be ineligible for reimbursement. Engineering cost is generally 10%. The ball diamonds project grant request has been submitted to IDNR. Poetker will follow-up tomorrow on what funds are unallocated at this point. IDPH permits may also be a problem because of their staff working remotely.

**VI. Public Comments/Anything for the Good of the City**

Committee Member Harbaugh mentioned that Lincoln Park is twenty years old.
