Informational only

III. Sidewalk to Bridge at Ratz Park

Chairman Donjon has an estimate of \$2,872.40, from Superintendent Eckart, for the city's cost to run a sidewalk from pavilion #1 to the bridge across the creek. Eckart said

there may need to be a small culvert placed under the sidewalk because of a small ditch running through that area.

IV. Public Comments/Anything for the Good of the City

Eckart said the truck, that was placed at the utility plant for brush disposal, was well used. The only problem was that someone was up in the truck. Eckart will post a notification that no one is allowed on the vehicle, for liability reasons.

Respectfully Submitted,
