III. Musket Practice Field Options

Greg Blake presented a plan for the Muskets to use the Lincoln Park multi-use field for Musket football practices starting in July, through the football season. The ground they were previously leasing, on the north side of Lincoln Park, is being developed and the lease agreement with the Muskets is terminating December 31, 2020. The Muskets would like to add six light poles to the multi-

use field, supplied by the utility department. The cost is estimated to be \$26,153.04 and the Musket will work with the city. The first step is for Poetker to contact IDNR and receive written approval to make the alterations to the original project plan.
